

GTA CHAPTER PRESENTATIONS

These information sessions are led by experienced and knowledgeable volunteers, and will stimulate thoughtful discussion about death and dying. We offer answers to difficult questions and help you feel empowered about end-of-life choice.

Each session runs 30 minutes, with an additional 30 minutes for questions and answers.

Contact us at toronto@dyingwithdignity.ca to book a presentation.

@DWDToronto

The GTA Chapter of Dying With Dignity Canada (DWDC) has a mission to educate and inform GTA residents about their right to quality end-of-life choice and care. We believe everyone has a right to choose a good death and to avoid unnecessary suffering; we believe this can be accomplished through sharing information.

We offer two FREE information sessions for people of all ages:

ADVANCE CARE PLANNING (ACP)

This session empowers people and their caregivers to write their health directives and plan for future illness, injury and end of life. You will learn:

- The what, why and when of Advance Care Planning
- How to select a Substitute Decision-Maker, and
- The process of creating an Advance Care Plan

MEDICAL ASSISTANCE IN DYING (MAID)

This session will explore MAID, our constitutional right in Canada. You will learn about:

- How MAID legislation came to pass
- MAID eligibility and the process, and
- The future of MAID legislation, and proposed changes

IT'S YOUR LIFE. IT'S YOUR CHOICE.
